

InMotion Mask Policy

Effective May 29, 2021 the following mask policy will be in place:

All vaccinated members & staff will no longer be required to wear a mask at the studio. According to the research of the CDC, the vaccine provides a very high level of protection against getting sick from Covid and spreading it to others.

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>

All unvaccinated members & staff are required to wear masks and those who feel uncomfortable not wearing masks are encouraged to wear masks. We ask for member's responsible and respectful cooperation with this revised policy.

We will continue the 6 foot social distancing in the classes and limit the number of spots in each class until such time management feels that it is safe to increase class size. All doors will be opened to allow for fresh air circulation of air. (weather dependent)

We are asking all members and employees to take these mask guidelines serious and to adhere to them in order to protect all of our members.

We're excited about this positive news. We look forward to seeing your smiling faces at the studio. Please let us know if you have any questions.

Thank you!

Suzanne & Jeff
